Celebrating the Stars

December, 2009

Dear Friend of Reaching E-Quality Employment Services (REES),

Subject: ***REES Awards – Celebrating the Stars, February 18, 2010***

Reaching E-Quality Employment Services is a local non-profit and registered charitable organization that assists people with disabilities or health conditions to find and maintain employment. Each year, we assist over 500 people!

The ***REES Awards – Celebrating the Stars*** will be held on Thursday, February 18, 2010 at 6:00 p.m. The ***REES Awards*** is also an opportunity to present awards to “Stars” who have made significant contributions in the employment of people with disabilities. (Nomination information for the awards is on our website, www.re-es.org.)

In order to make the ***REES Awards*** a success, REES is seeking your participation through the donation of prizes (or funds for the purchase of prizes) for our paper-bag auction. Your donations to this event will allow Reaching E-Quality Employment Services to:

- ✔ Raise funds for the ongoing provision of REES Services for people with disabilities or health conditions seeking employment
- ✔ Honour four “stars” who have made significant contributions in the employment of people with disabilities
- ✔ Raise awareness of the services that REES provides

Your donation will be recognized by REES through:

- ✔ Recognition of your donation in the event program and at the REES Awards
- ✔ Recognition on the REES Website
- ✔ Recognition in the REES Newsletter

For further information, or to make arrangements regarding your donation, please contact Lori Hurtig at Reaching E-Quality Employment Services, at (204) 947-1609.

Tickets for this event are available at our office, located at 305-1200 Portage Avenue, or by phone at 832-REES (7337). For more information, please check our website at www.re-es.org. Thank you in advance for your support.
